Bold innovation, unmistakable luxury—the BMW iX reimagines the electric SUV for a new era. As the flagship of BMW’s all-electric lineup, the iX combines dual-motor all-wheel drive with instant torque and near-silent acceleration, delivering a smooth yet thrilling drive that feels effortless and refined. Its striking exterior, sculpted for aerodynamic efficiency, features signature BMW design elements like the bold kidney grille and slim LED headlights, creating a futuristic presence with a strong visual identity. Step inside the iX and you’ll find a sanctuary of modern minimalism. From sustainable materials and open-pore wood to the floating curved display and panoramic glass roof, every detail is crafted for comfort, innovation, and elegance. With spacious seating for five and advanced features like BMW’s latest iDrive system, the iX is designed to keep you connected, informed, and in control—whether you’re navigating city streets or cruising the open highway. Advanced driver assistance systems, intelligent safety tech, and precision engineering complete the experience, offering peace of mind with every drive. Progressive, powerful, and purely electric—the BMW iX isn’t just an SUV. It’s the future, beautifully built.
