Compact, confident, and fully electric—the BMW iX1 delivers the luxury SUV experience in a versatile, everyday form.

This all-electric Sport Activity Vehicle combines responsive performance with smooth acceleration and zero local emissions, bringing BMW's signature driving dynamics to a more compact and practical design. Bold styling, sleek contours, and the iconic kidney grille give the iX1 a strong presence, while subtle blue accents signal its electric identity. It's a modern design that stands out—without shouting. Step inside, and you're welcomed by a refined, tech-forward interior. The BMW Curved Display and intuitive iDrive system keep you connected and in control, while high-quality materials and clever space design make every drive feel first-class.

With room for five, flexible cargo space, and the convenience of fast charging, the iX1 is designed for real life—with no compromise on luxury or innovation.

Smart, stylish, and electric—the BMW iX1 proves that big performance can come in a perfectly sized package.
