Bold design, premium features, and everyday versatility—the Toyota Urban Cruiser Taisor V is the stylish compact SUV built to turn heads and tackle your day with confidence.

Crafted with Toyota's renowned engineering and reliability, the Taisor V blends sharp aesthetics with functional design. From its sculpted lines and LED projector headlamps to its striking front grille and alloy wheels, it has a commanding presence that stands out on any road.

Inside, the Taisor V surprises with a thoughtfully designed cabin that balances comfort and practicality. Plush seating, leather-wrapped steering, and intuitive tech features make every journey more enjoyable. A large touchscreen infotainment system, wireless connectivity, and push-button start bring modern convenience to your fingertips, while the flexible rear seating and ample boot space adapt to whatever your day demands.

The Urban Cruiser Taisor V delivers smooth, reliable performance that's ideal for both city cruising and weekend getaways. Its light steering and compact size make navigating tight streets a breeze, while delivering the fuel economy you'd expect from a vehicle in this class.

Safety is never an afterthought. The Taisor V comes equipped with dual airbags, ABS with EBD, rear parking sensors, and ISOFIX mounts—providing essential protection for you and your loved ones, every time you hit the road.

Modern, practical, and made for today's drivers—the Urban Cruiser Taisor V brings a bold new option to the compact SUV market. Your everyday drive, upgraded.
